Change in Dismissal Plans

If your student has a change in their after school plans, please send a note in the morning and be sure to include your student's first and last name and teacher. Notes don't always come down with their classroom folder and it avoids a lot of confusion if all of your student's information is on the note.

A Note from Mr. Coleman

My kids learned a song in church once that is probably familiar to many of you (and for the life of me, I don't why it came to me this morning).

It goes like this:

*"O be careful little eyes what you see,
O be careful little ears what you hear,
O be careful little hands what you do,
O be careful little feet where you go,
O be careful little mouth what you say,
....So be careful little eyes what you see"*

I believe that we are all leaders in some way - men, women, children, young, old, introvert, or extrovert. This little song challenges us to be mindful of our impact upon others, as well as it means that we carry a overwhelming responsibility to influence others well.

I encourage you to consider your words and actions, as you deal with others, especially our children. Be true and noble because someone is watching you.

The Mission of BCSC ~ To ensure all students develop academically, creatively, physically, and socially into the finest version of themselves.
