A Note from Mr. Coleman

The 1981 movie, "*Chariots of Fire*", tells the story of two runners who won gold medals in the 1924 Olympics. Harold Abrahams and Eric Liddell competed against each other. There was a scene in the movie where Abrahams was very discouraged and wanted to quit because he had lost a race to Liddell. He blurted out to his girlfriend, "I run to win. If I can't win, I won't run." His girlfriend replied, "If you don't run, you can't win." He ran and won!

Sometimes life happens, and as it does we sometimes develop an attitude and a perspective of defeat, even before we act. We get sucked into the idea that our voice and our ideas don't matter. Let me put it bluntly and in capital letters - YOU ARE WRONG!!

People that rise up become heroes to those that they are around and interact with. Even though all of us get knocked down, we need to muster up the courage to rise up and act. Parents you have the most important role of anyone in society. If you are knocked down for any reason, I encourage you to pick yourself up and move forward. **You make a difference!!** Let us know if we can help you! Your child needs you to get back up!!

The Mission of BCSC ~ To ensure all students develop academically, creatively, physically, and socially into the finest version of themselves.

Join us in welcoming new staff to Prairie Crossing.

Miss Ashley Gaskins is our new Speech and Language Pathologist Assistant. She will be splitting her time with us and Otterbein. Miss Gaskins comes to us from the Hammond school district. She likes to hike, run, swim, read, and loves animals. Our sense of teamwork is what drew her to accept this opportunity at PCE.

Mrs. Mary Shultz is our new librarian. She comes to us from across the street as a Special Ed Aide from Benton Central. She says she is creative and loves kids and is looking forward to teaching the love of reading.

Mr. Jake Rockey is a student teacher in Mrs. Barr's 3rd grade classroom. He is from Franklin, IN and is attending Purdue (Boiler Up!). Mr. Rockey is the freshman boys basketball coach at BC and in his free time he likes to work out, stay active, and watch movies.

Ms. Carrie Smith is our new cafeteria aide. She is from Benton County and she has twin boys and a soon to be daughter in law, Miss Jenny Stacy, an aide at PCE. Ms. Smith has a cat named Harvey and dog named Nala.
