

BENTON COMMUNITY SCHOOL CORPORATION

AFTER SCHOOL PROGRAM 2019-2020

REGISTRATION INFORMATION

Greetings! The Benton Community School Corporation will once again be offering to all elementary students the popular After-School Program (A.S.P.) during the 2019-2020 school year.

A.S.P. at each B.C.S.C. elementary school is scheduled to begin on the first day of school.

A.S.P. includes snacks, one hour of homework and reading time, and one hour of recreation time.

The program runs after school until 5:00 p.m. Monday through Friday. Students may attend the program daily or on scheduled days – just write in the days on the registration form.

Please watch your school newsletter for updates about the program. Reminder: A.S.P. will not be offering services if students are released early due to inclement weather or other emergency.

For safety reasons, it is the parents' responsibility to inform the school if there is a change in scheduled days. A written note to the office is preferred; a phone call or e-mail to the school office by **2:00 p.m.** is needed in order to change after school arrangements.

Students may be picked up at any time, but **no later than 5:00 p.m.** Children must be signed out by a parent or a parent-approved person (name appears on registration form or special note).

A.S.P. fees are \$4.00 per day or \$20.00 per week for each child. Students who qualify for the free-and-reduced lunch program may attend for \$1.00 per day or \$5.00 per week for each child. Payment plans are available. Your payments are very important to keep A.S.P. running.

Please fill out the attached registration sheet and return it to your school's office.

Please call your school if you have any questions.

We look forward to another great year of A.S.P.!
