

# SCHOOL WELLNESS POLICIES

Winter Newsletter 2015

## National School Breakfast Week

National School Breakfast Week (NSBW) is March 2-6, 2015. Celebrate NSBW 2015 with the theme of "Make the Grade with School Breakfast." It highlights how eating a nutritious breakfast helps students achieve success in the classroom and beyond. Get started planning your celebration with SNA's (School Nutrition Association) [free tools and resources](#).

Recognizing NSBW in your school district or in your cafeteria helps you:

- Increase student participation for your program
- Spread the message to parents that you're serving healthy and tasty breakfast at school
- Earn media coverage from local papers, blogs, and TV stations
- Connect with teachers and administrators at your school or in your district to spread the word that school meals are healthy

## Healthy Schools Raise Healthy Students

The Healthy, Hunger-Free Kids Act establishes strong nutrition policies for child nutrition programs. Many of these policies foster healthier school environments for kids, provide a variety of nutritious foods to millions of children nationwide and prepare them to be productive students. —Source: Academy of Nutrition and Dietetics

## Tips for Teachers: Promoting Healthy Eating & Physical Activity in the Classroom

### CDC Healthy Schools

*The Right Place for a Healthy Start*

Simple changes in the classroom can make a big impact on preventing childhood obesity. CDC's new resource, [Tips for Teachers: Promoting Healthy Eating and Physical Activity in the Classroom](#), is full of easy ways teachers can promote a healthy classroom.

[Tips for Teachers](#) was developed from science-based recommendations from CDC's [School Health Guidelines to Promote Healthy Eating and Physical Activity](#).

**Tips for Teachers** includes clear action steps, resources, and information for:

- Access to drinking water
- Student rewards that support health
- Healthier celebrations and fundraisers
- Physical activity in the classroom
- Recess
- Not using physical activity as punishment
- Health education
- Student weight concerns and stigma
- School physical activity programs
- Being a healthy role model
- School wellness activities
