"The Mission of BCSC is to ensure all students develop academically, creatively, physically, and socially into the finest version of themselves."

August 26, 2019

For the last two years our CAAP organization at Benton Central has been diligently collecting plastic caps and lids that can be recycled into various products by a company in Evansville. From those collected caps we now have the opportunity to purchase benches and picnic tables that will be used around the school campus. Benton Central is seeking sponsors for these great additions to our school. Each green and gold 8 foot bench will cost \$350, and the green and gold picnic table will cost \$625. We will honor each donation with a plaque affixed to the bench or table. If you would like to be a sponsor, please contact Corey Robb at Benton Central 765 -884-1600, extension 6101 or email him at crobb@benton.k12.in.us.

If you would like to look at examples of these tables and benches please go to: <https://www.greentreeplastics.com/>.
